7. OTHER SUBJECTS

By using non-personal information, our website may generate information tracking reports on user statistics and website usage and share these reports with others. No information in the report is dependent on identity and other personal data.

We take measures against data breaches to ensure that the computer network, applications and database are secure and closed to unauthorized access and use. If you have security concerns about your personal data, do not send this information over the internet.

Our website may link to other websites or internet resources. When you enter one of these links, you are switching to another website or internet resource. This resource may receive information from you at your request or through "cookies" or other means. Our website has no responsibility, liability or control over these websites or internet resources or their collection, use or disclosure of your information. You should review the privacy policies of other websites and internet resources and understand how they collect and use your information.

When you enter the transaction process, there are two things you need to pay attention to to understand that you are on a secure site. One of them is a key or lock icon on the bottom line of your browser. This indicates that you are on a secure website and all your information is encrypted and protected. This information is only used depending on the sales process and in the direction of your instructions. The information about the credit card used during shopping is encrypted with 128-bit SSL (Secure Sockets Layer) protocol, independent of our shopping sites, and sent to the relevant bank for querying. If the card availability is approved can be sustained for shopping. Since no information about the card can be viewed and recorded by us, third parties are prevented from obtaining this information under any circumstances.

Never write down your credit card number or passwords in the e-mails you send to our website regarding any of your orders. Information contained in e-mails can be viewed by third parties. Our company cannot guarantee the security of the information transferred from your e-mails under any circumstances.

8. RELATED PERSON RIGHTS

Your requests under Article 11 of the Law, which regulates the “Rights of the person concerned”, can be **Application Form** made by sending the details to our website as explained in

9. EFFECTIVENESS

Our website may make changes or additions to this Privacy Statement from time to time. The change to be made becomes effective from the date it is published on the website.
